Nancy Tracy Named Adams County Employee of All Seasons

The Adams County Board of Commissioners today recognized Nancy Tracy as the county's Employee of All Seasons (i.e. Employee of the Year) at the Employee Recognition Luncheon. Tracy has worked for the county since 2000 as a PBX Technician. In addition to her remarkable professional contribution to the county, Nancy was the driving force behind the beautiful decorations enjoyed at the Government Center during the holiday season. Nancy decked the halls with Christmas trees and decorations. She recruited family and friends to help build an old-fashioned bicycle and wooden geese, found deals on stuffed bears, and donated decorations and supplies to adorn the halls and walls of the Government Center. Nancy shouldered much of the cost of acquiring trees, wreaths, decorations and crafting supplies and volunteered countless hours on this labor of love.

"It's employees like Nancy who make this a great place to work," said Board Chairman Charles "Chaz" Tedesco. "We're grateful that Nancy and all of the other volunteers are willing to donate their time and talents to provide our residents and employees with a festive environment around the holidays."

In order to qualify for Employee of All Seasons, employees are nominated by their co-workers, the Employee of the Season Committee and Adams County residents.

Adams County has approximately 1,800 employees.
