Adams County News and Information

**Federal Boulevard Safety Improvement Project
Lane Closures Between 52nd and 67th Avenues**

Today the Colorado Department of Transportation (CDOT) began a \$2 million safety improvement project on Federal Boulevard (US 287) between 52nd and 67th Avenues. The project includes construction of median islands with street lighting and landscaped planters; pedestrian countdown signals at 67th Avenue; new traffic signal heads at 54th, 56th and 67th Avenues; new crosswalks at 64th Avenue; and lighting under the Federal Boulevard bridge illuminating the Clear Creek Trail north of 60th Avenue. This project is scheduled for completion in June 2015. The project will improve safety by consolidating left-turn movements to and from Federal Avenue. Special provisions have been made for emergency access.

The project will require single lane closures Mondays through Fridays, 8 a.m.–4 p.m., north of I-76. South of I-76, lane closures will occur between 9 a.m. and 4 p.m. in the southbound direction and between 8 a.m. and 3 p.m. in the northbound direction.

Federal Boulevard is subject to a number of construction projects this year. Visit the project website at www.codot.gov/projects/federalmedian for more information. If you have questions or concerns, call the CDOT project information line, 303.990.7169, or email FederalMedian@gmail.com.
