All Setters From Animal Control Operation Near Strasburg Adopted

Following an amazing show of support from our community, all of the setters impounded on December 17 have been adopted.

"We are so grateful for the rapid response and are happy to report that most of our partner shelters have also adopted out almost every one of the dogs removed from the home near Strasburg," said Animal Shelter and Adoption Center Director Stephanie Wilde.

Some of the dogs with more complex medical issues have been placed with various rescue groups.
