Adams County Community Overview

Adams County spans 1,200 square miles. It is home to suburban, urban, and rural communities. Adams County is home to the cities of Brighton, Commerce City, Federal Heights, Northglenn, and Thornton; portions of Arvada, Aurora, Lochbuie, and Westminster; and the town of Bennett. Unincorporated communities include Henderson, Strasburg, and Watkins. It's prime location, affordable living, and access to all major highways make it an ideal spot for individuals and families who want to be close to both work and entertainment amenities. Adams County has Colorado's only Spaceport and is not just a regional, but national leader in creating and supporting a robust job market and economy. 2020 was an unprecedented year. This report highlights the work conducted during the pandemic as well as what is currently planned in 2021.

Adams County Crime and Traffic Summary

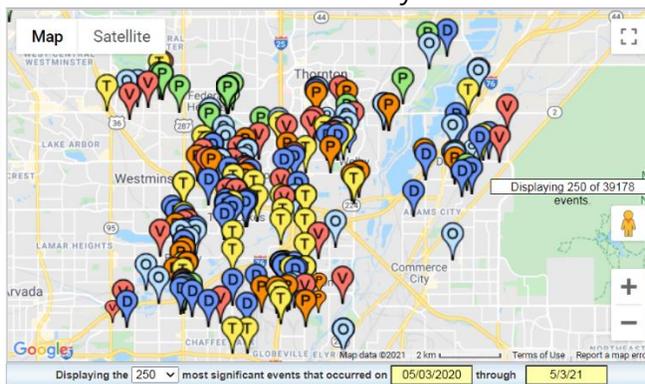

This report was generated by the Adams County Sheriff's Office My Neighborhood Update tool. Findings show common trends throughout the county with traffic, disorder and other police matters as top trends in the county.

Riverdale Animal Shelter

Successfully completed projects in 2020

- ❖ **Transition to Riverdale Animal Shelter facility:** At the end of September 2020, we moved to a newly constructed facility at Riverdale Regional Park and changed our name from Adams County Animal Shelter/Adoption Center to Riverdale Animal Shelter.
- ❖ **COVID-19 Modified Operations:** Despite the challenges of the global COVID-19 pandemic, with the safety of our staff, volunteers, and community in mind, we worked quickly to adjust to modified, contactless operations to provide safe, efficient services for people, while continuing to provide compassionate, quality care for our shelter animals.
- ❖ **Families in Transition Program:** A total of 28 companion animals were temporarily housed for 17 families in need due to crisis or homelessness through our Families in Transition (F.I.T) program.

Impact

- ❖ **Transition to Riverdale Animal Shelter:** Residents now have access to a modernized shelter facility with an expanded clinic, ample kennel spaces for cats and dogs, and additional housing for small mammals. The new shelter is in a much more family friendly location, with ample parking spaces and now has two separate lobbies--one for adoptions and the other for lost pets and admissions, as well as private counseling rooms to better serve the residents of Adams County.
- ❖ **COVID-19 Modified Operations:** Switching to contactless services, which included virtual adoptions, virtual training for volunteers, fosters and staff, and contactless vaccination clinics, provided an opportunity for residents to continue to receive continuity of services safely during the COVID-19 pandemic. Specifically, 2,181 homeless animals found their forever home; 1,462 owned pets found their way back to their family; 3,982 animals were vaccinated; and 1,506 pets were spayed/neutered.
- ❖ **Families in Transition Program:** RAS' Families in Transition (FIT) program provides temporary care of pets of families in crisis due to homelessness, illness, and domestic violence. With need based on referrals from partner human services organizations RAS provided 17 families with access to temporary care for their pets. Last year, the average stay for these pets was 34 days in care.

Top projects for 2021

- ❖ Implementation of online donation platform for Riverdale Animal Shelter.
- ❖ Implementation of new technology to enhance inclusivity and the customer experience at the new Riverdale Animal Shelter.
- ❖ Shelter-Neuter-Return efforts for community cats

2021 Projects Impacts

- ❖ **Implementation of online donation platform for Riverdale Animal Shelter.** Residents will be able to make monetary donations to the animal shelter online through our website. Expected completion summer 2021
- ❖ **Implementation of new technology to enhance inclusivity and the customer experience at the new Riverdale Animal Shelter.** Residents can expect adoption education videos in both English and Spanish during the adoption process, more use of informational monitors, and shorter lines at the main desk, as some portions of services will take place in counseling rooms. Most updates to be completed by fall 2021, with ongoing/continuous improvement status.
- ❖ **Shelter-Neuter-Return efforts for community cats:** RAS will provide educational opportunities for residents to learn how to humanely address potential issues with community (feral) cats, while continuing to allow community cats to live peacefully and independently. Efforts are also underway to attempt to SNR more cats in unincorporated Adams County in 2021. Residents can already find more information on community cats on our website, and development of a community cat brochure for our animal control partners is also underway.

Resident engagement events or upcoming calls for comment.

- ❖ While not a “comment” types of event, RAS hopes to host a grand opening and tours and for the the public, as this opportunity was missed due to moving during the pandemic. 2021 date is TBD

Success Stories and Statistics

- ❖ **Temporary Shelter for Companion Animals During Natural Disaster:** A total of 24 displaced companion animals were sheltered at RAS as their families fled their homes due to Colorado wildfires in 2020.
- ❖ **Clear the Shelters 2020:** 2020: A total of 236 animals were adopted during the month-long Clear the Shelters - more than double the number adopted during this event last year. Despite a global pandemic, RAS worked with Telemundo on a contactless version of its annual Clear the Shelters event, which aims to literally clear local animal shelters and find homes for adoptable animals within a month's time. This event is sponsored by NBC Universal and Telemundo and helped us to connect with our Spanish-dominant residents, while finding forever families for our homeless pets.
- ❖ 2,181 homeless animals found their forever home.
- ❖ 1,462 owned pets found their way back to their family
- ❖ 3,982 animals were vaccinated
- ❖ 1,506 pets were spayed/neutered.

- ❖ Lost and Found pet services
- ❖ Low-cost vaccination and microchip clinics for owned companion animals
- ❖ Pet Surrenders
- ❖ End-of-Life services
- ❖ Dog licensing for residents of unincorporated Adams County
- ❖ Impound and sheltering services for the cities of Brighton, Commerce City, Federal Heights, Northglenn, Thornton, the towns of Bennett, Hudson, and Lochbuie, as well as unincorporated Adams County.

Community and Economic Development

Top Projects in 2020

- ❖ Transitioned to accepting all permit and land use applications electronically as well as payments for all permits and land use cases.
- ❖ Environmental Programs team implemented the first oil and gas inspection fee program and conducted 480 routine annual well inspections and 24 follow-up inspections to verify compliance.
- ❖ Economic Development team administered multiple grant programs to assist our business community (mini grants, restaurant grants, and state support grants) totaling more than 1,500 approved grants to directly assist businesses impacted by COVID-19, with a total impact of over \$5 million in support.
- ❖ Community Development (Housing) team was able to stand up a small business employee retention program using CDBG funds to help 70 businesses to hire or retain over 70 jobs for low-to-moderate income employees; they worked with local housing authorities to award \$865,000 for rental assistance to those impacted by COVID-19 and unable to pay their rent.

Impact

- ❖ The projects successfully completed in 2020 support the Board of County Commissioner goals; Education and Economic Prosperity, High Performing, Fiscally Sustainable Government, Quality of Life, and Safe Reliable Infrastructure.

Top Projects for 2021

- ❖ Economic Development Plan
- ❖ Advancing Adams Comprehensive Plan
- ❖ Building Permit Process and Land Use Case process improvements
- ❖ Launch and implementation of the Adams County Emergency Rental Assistance Program
- ❖ Develop and launch the Adams County Foundation Program.

2021 Projects Impact

- ❖ The new projects for 2021 support the Board of County Commissioner goals; Education and Economic Prosperity, High Performing, Fiscally Sustainable Government, Quality of Life, and Safe Reliable Infrastructure.

Resident engagement Events

- ❖ There will be extensive outreach and request for comments for Advancing Adams Comprehensive Plan. Outreach for the plan will coincide with planned County events throughout the year as well as events sponsored by the Cities within Adams County. The point of contact for this plan is Libby Tart at ltart@adcogov.org or 720-523-6858.

Community Safety and Well-Being

Top Completed Projects in 2020

- ❖ Office of Emergency Management provided logistics Support Water World COVID testing site - Fed Heights, July 2020 - March 2021
- ❖ Office of Emergency Management PPE purchase and distribution to senior living facilities & 1st responders, Adams Co, March - April 2020
- ❖ The Community Corrections Structured Decision-Making Tool for transition clients was completed in July 2020.
- ❖ Severe Weather Activation Plan - original pilot duration February through April 2020 and continued again beginning in late October 2020.
- ❖ Neighborhood Outreach Drive Thru Farmer's Market from September 2020 through April 2021.
- ❖ Community Enrichment Project was developed to provide education, assistance, and other programs to encourage compliance through education. Examples of this program include, tool shed program, resource lists, mediation and voucher programming.
- ❖ As part of the Community Enrichment Project, Neighborhood Services created a tool shed program which provides unincorporated Adams County residents with free access to yard and gardening tools. We are dedicated to supporting residents maintaining their properties and helping others do the same. This program offers two opportunities to use tools, Yard and Neighborhood Cleanups.
- ❖ Animal Management and Code Violation Audit completed to gain greater insight into the code and animal management process to provide improved service delivery to our residents.

Impact

- ❖ Provided more than 500,000 pieces of PPE to community and 1st responders.
- ❖ Supported COVID testing site that administered more than 250,000 tests.
- ❖ The Delivering Opportunity and Opening Resources (DOOR) grant of the Criminal Justice Coordinating Council has taken off in 2021. This grant funds consultants to study transportation and access barriers for justice involved individuals in the 17th Judicial District and makes recommendations to address these barriers.
- ❖ Severe weather shelter program for people experiencing homelessness. Over 8,000 nights of homelessness have been averted since October 2020. With minimal shelters in Adams

County, this motel voucher program is a lifesaving tool that distributed 120 vouchers per night during the historic March 2021 blizzard.

- ❖ Drive Thru Farmer's Market gave residents the opportunity to obtain food boxes and other resources, including many who experienced the impacts of the COVID-19 pandemic first-hand. Individuals and families who experienced food insecurity now had access to fresh vegetables and pantry items. From September 2020 through April 2021, over 10,000 food boxes were distributed to support over 30,000 Adams County residents.
- ❖ Provide unincorporated Adams County residents with free access to yard and gardening tools for Yard and Neighborhood cleanups.
- ❖ List of resources to assist residents with home maintenance, snow removal, vehicle donations and landfill vouchers (coming soon).

Top New Projects for 2021

- ❖ Emergency Shelter project - GC, 3Q 2021
- ❖ Housing navigation and mediation program to help provide housing stability for Adams County residents. The program is currently in the RFP selection process and is set to launch the pilot in the summer of 2021.
- ❖ Neighborhood groups are designed to help residents organize and build advocacy for their neighborhoods. Adams County is seeking residents who want to start a neighborhood group in their unincorporated neighborhood.
- ❖ The Delivering Opportunity and Opening Resources (DOOR) grant of the Criminal Justice Coordinating Council has taken off in 2021. This grant funds consultants to study transportation and access barriers for justice involved individuals in the 17th Judicial District and makes recommendations to address these barriers.
- ❖ Development of a Neighborhood Parking Program, to improve neighborhood livability, safety and business district vitality. Adams County is developing a parking program to evaluate the potential of parking districts to address parking concerns in specific areas of heavy use. Currently, Adams County is finalizing the formal ordinance outlining the process of implementation and enforcement of this program. We are also in the process of identifying the neighborhoods most in need of parking access relief and collecting input on how to best support those communities, as well as soliciting bids for enforcement software/hardware. Our goal is to have a Neighborhood Parking Program in place for specific neighborhoods near the Berkeley area by the beginning of September 2021.
- ❖ This program is designed to provide hardship funds for those currently experiencing difficult circumstances. This small funding source is to enhance resident opportunities and quality of life experiences in Adams County. Tentative start date is December 2021

2021 Project Impact

- ❖ The DOOR project will impact justice involved residents potentially as we improve practices for access over the next several years.

- ❖ When the housing navigation and mediation program launches, residents who have trouble finding housing can find support in finding a housing with an organization actively trying to recruit more landlords who will rent to individuals with poor or no rental history. When challenges with landlords occur, residents can also connect with this program for mediation support in hopes of avoiding the mediation process.
- ❖ Neighborhood groups will help residents advocate for their neighborhoods' needs and desires further. They can help organize neighbors to develop their own Adams County neighborhood group.
- ❖ Parking Program- Development of neighborhood parking districts, community surveys, community forums and constituent feedback to discuss potential parking concerns in neighborhoods
- ❖ Eligibility and application will be developed for residents to apply for hardship funds.

- ❖ 1,366 code cases were opened in 2020

Total number of successfully completed code enforcement cases closed in 2020.

- ❖ 785 cases successfully completed in 2020

Top Trends

- ❖ Our response times for AMO and code have begun to normalize as the pandemic winds down.
- ❖ Code case are being closed 38% more quickly (around 28 days) than at the end of 2020.
- ❖ AMO calls are received and completed 8% more quickly than they were at the end of 2020.
- ❖ The pandemic and subsequent economic downturn has had a substantial effect on those living with economic instability. 59% of all voucher holders for the SWAP program (394 unique individuals) are living through their first experience with homelessness. 228 of those same individuals have been homeless less than 6 months.

Human Services

Top Completed Projects in 2020.

- ❖ Increased Workforce and Business Center Housing & Homeless Prevention contracts by \$550,000 to meet the increased need for this service due to the COVID-19 pandemic.
- ❖ Successfully deployed Chromebooks for families and children to have access to our services remotely.
- ❖ Provided necessary food assistance (SNAP), cash assistance, and medical assistance.
- ❖ Finalized seven children into four homes for National Adoption Day.

Impact.

- ❖ With the increased funding in the Housing & Homeless Prevention Services contracts, eligible residents were able to receive the direct financial assistance necessary to prevent eviction, stabilize placements, provide shelter, and assist with other household related bills.
- ❖ Established another access point for Head Start families to be able to complete trainings and coursework.
- ❖ Timely benefit payments to families.
- ❖ Children and youth achieved permanency even during a pandemic.

Top Projects for 2021.

- ❖ Human Services and Work Options for Women (WOW) are in contract negotiations to provide Training Opportunities for eligible culinary job seekers as needed by the WBC. WOW will provide skill development with classroom curriculum opportunities. Their training opportunity programs will enable students and job seekers to secure industry-relevant skills, certifications, and credentials and advance to higher levels of education and employment. These trainings will take place in the Human Services Center Mountain View Café, as WOW will be our contracted provider to offer food services to staff and the community out of the 3rd floor cafeteria in the Pete Mirelez Human Services Center. Anticipated start date of this contract will be July 1, 2021.
- ❖ Working with County Business Solutions/Information and Technology to provide families with the ability to remotely sign documents (consents, forms, etc.). The goal is to improve family avenues to complete applications and forms remotely which lessens the burden on families.

2021 Projects Impact

- ❖ Eligible culinary job seekers would be able to have access to hands on training in our HSC building, which will also include job placement assistance from Work Options for Women (WOW).
- ❖ ACHS families can expect better support with technology that helps them connect to their preschool child's education.
- ❖ Residents will receive Food, Medical, and Cash assistance to help meet their needs.

Will your department have any resident engagement events or calls for comment? Please list below along with dates times and contact information if applicable.

- ❖ The WBC conducts regular virtual job fairs and virtual hiring events where residents can engage with area employers.
- ❖ The 2021/2022 school year will yield several activities for Head Start parents: Open Houses, Home Visits, Parent/Teacher Conferences, Parent Café's, Incredible Years Parenting Classes, classroom volunteer opportunities, and the Cultural Literacy Festival.
- ❖ Adams County is partnering with Joyful Journeys, Teens Living Clean (TLC), and the Bennett Recreation Center to provide residents of eastern Adams County with free monthly food and resource drive-thru events. These will be held on the fourth Monday of every month from 5:30-7 p.m. at the Bennett Recreation Center, 455 S. 1st St. Power sacks with shelf-stable food, hygiene bags, and resource folders will be provided. No registration necessary.

Success Stories and Statistics

- ❖ The WBC will support 22 residents with temporary employment aimed at meeting the humanitarian needs of the community with positions created to support businesses with COVID screening, sanitizing, and the additional customer safety coordination required due to the pandemic.
- ❖ Children's museum annual pass vouchers have been distributed to all Head Start families. The Museum is currently open by appointment and families can make an appointment to redeem their annual pass.
