### **Notes:**

#### **Memorial story wall quote suggestions:**

(Alison) Below are additional quotes (majority are not from presidents) but I believe the theme of sacrifice and gratitude is fitting for the memorial.

Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude. — **Harry S. Truman**

“It doesn’t take a hero to order men into battle. It takes a hero to be one of those men who goes into battle.” — **Norman Schwarzkopf**

Let us remember the service of our veterans and let us renew our national promise to fulfill our sacred obligations to our veterans and their families who have sacrificed so much so that we can live free.” — **Dan Lipinski**

This country has not seen and probably will never know the true level of sacrifice of our veterans.” — **Thomas M. Smith**
