March 3-6

Pasay City, Philippines

PhilEnergy is a trade show that brings industry leaders in the renewable energy, energy efficiency, electric power, electric vehicles, and energy storage sectors to explore state-of-the-art energy technologies and products.

OEDIT is accepting applications from Colorado aerospace companies to co-exhibit in the Colorado booth. Four selected companies will receive a \$4k travel stipend through the State Trade Expansion Program (STEP) with all booth costs covered.

The deadline to apply is November 4, 2024. Apply [here](#) under the "Trade Shows" section.

For more information, reach out to sophia.gonzalez-mayagoitia@state.co.us

ELIGIBILITY REQUIREMENTS:

- Be registered with the Colorado Secretary of State and in Good Standing
- Have headquarters in Colorado or have at least 50% of your employees based in Colorado
- Meet the applicable industry-based small business size standard as per the SBA
